

August 2005..v1

Brightest Blessings & Warmest Wishes!

Ever since launching the "Mona Magick" website in June of 2003 I've kept my vow in making sure to give all loyal customers and visitors alike the highest level of support and service to help along everyone's spiritual and magickal path. This is the first of many years to come of the "Mystick Journey" newsletter. The "Mona Magick" site has already maintained millions loyal visitors online worldwide. The goal is destined to change doubt and give back the self empowerment where all in life is a normal miracle!

### The Mystick World

This is an interesting world... it is said to be small but the events that go unannounced can be profound to those of us in the world of spirituality, those that are mystics and so on....

### Mercury in Retrograde

Depending on what you're trying to achieve. Mercury's Retrograde may be just reason to postpone your actions. What's more with the current retrograde things won't lighten until at least around 30th of August 2005.
